# Holy Cow!! Can it Really Be 50 Years???

It really is hard to believe that 50 years have passed since we graduated from Amherst.....lots of stories to tell, photos to share, memories to laugh about!!

Let's all get together and celebrate lives well lived, friendships that transcend the years, those who are no longer with us, and the good times yet to come!

From near or far, there is nothing quite like looking back on 50 years — remember the first ever Earth Day? Portable classrooms? Being able to (finally!) wear jeans to school? The stacks? Tigers beat the Billies? So many things to reminisce about! So, make those plans and come join in the fun — plans are still underway but so far:

## Friday September 11, 2020

Afternoon school tour (construction permitting!) Evening: Cash Bar, casual meet and greet at Loughran's (the old Taiwan!!) from 7 to ? Plenty of nearby options for dinner before or after including Loughran's!

## Saturday September 12, 2020

Information will be provided (watch the websites!) for waterfront tours, city tours, etc. Come see the NEW Buffalo! It is pretty cool! Plus, morning Golf outing for ANY golfers in the class who wish to play (contact Glen Kauffman at glenk104@gmail.com). Plan your day so you can meet your classmates for food and drink (cash bar) at Templeton Landing — located on the inner harbor — inside bar and dining, outside patio, with firepits, heaters, and beautiful views over the lake. (Cost per person to be determined). Walking distance to Canalside, the Naval Park, etc.

## Sunday September 13, 2020

No matter who you root for these days, we all hold a soft spot for the Bills! Come and watch the game and have some wings! Noonish to games end. Location to be confirmed — watch the websites!
